# Perfect Fit blind system

Stylish, contemporary pleated and venetian blinds

**This revolutionary new system enables blinds to be fitted perfectly onto most uPVC window frames. The result is great looking window blinds that add the finishing touch to any interior design scheme, with no holes drilled into your uPVC windows!**

The unique Perfect Fit blind is ideal for conservatories, fits neatly onto doors and windows, also enhancing privacy because there are no gaps down the side of the blinds.

Tilt and turn windows present no problem either since the blind is securely housed within the Perfect Fit frame and moves with the tilt and turn of the window.

When you choose your next blind...make sure it's a Perfect Fit!
